I am sure you have heard this before, but the newsletter can only be as good as the reports and other items which you submit.

If you've just competed in an event and want us all to share the experience, if you are building a car and want advice or have advice for others, if you have something to sell or are searching for an elusive part, if you have a brilliant photo for the cover, if you've seen a good Web site or would like your E-mail address on this page, **LET US KNOW!**

If you do have something to put in the magazine, there are several ways of getting it to me.

1. Hand it to me or a committee member on a Tuesday night at the Baum
2. If you frequent Oldham Road in Rochdale, hand it in to reception at my work, St Cuthbert's RCHS (on the corner of Shaw Rd. opposite the Yew Tree pub, just past the motorway bridge.)
3. Post it to me,
Steve Tweedale, 70 Crawshaw Grange, Crawshawbooth, Rossendale, Lancs BB4 8LY
4. E-mail me,
STweedale.staff@stcuthberts.rochdale.sch.uk
or
SteveTweedale@cs.com
