** EDITORIAL **

Even as I write this epic, our boys are out there, frantically chasing Mikkola, Vatanen and Co., in what is commonly referred to as the best rally in the world. Our thoughts are with them - so best of luck Deryck, Rod and the rest of you - see you at the finish.

Next we come to the second best (some say!) rally in the world - Yes, you guessed it. Our very own "Silver Jubilee" Mini Miglia on 9/10th January 1982. Organisation is now well under way and regs are enclosed with this newsletter. This year's event is sponsored by Robert Hamilton Ltd. of Royton and Rally Equipe of Bury and has the honour of being the opening round of the 1982 Motoring News Championship and the 1982 A.N.C.C. Championship. So with all this going for it, the "Mini" should really be an event to remember, and anyone willing to marshal please come forward now and give your name to Bob or Dave Pedley or fill in a marshals form and give it to any Committee Member.

Then we come to the social events as mentioned last time, with a film night on December 1st including a Committee Forum where we ask you to let us know your

Cont.....

Continuation.....

ideas on how the club should be run, and the committee members will be on hand to answer any questions you may have. So come along and give us a chance to improve your club for everyone's benefit.

On December 8th and 22nd we have an evening of "Irish Tarmac Rallying" courtesy of Neil Calvert featuring videos of the action. - Should be good.

In between on December 16th is the Scalextric Championship and Boxing Day sees the usual Autotest fun starting from the Hornets.

As you can see, there's plenty going on so lets see you all there to make them all a success.

- MARSHALS - MARSHALS - MARSHALS - MARSHALS - MARSHALS - MARSHALS

SILVER JUBILEE MINI MIGLIA RALLY

9/10 JANUARY 1982

DON'T FORGET

To make next year's event a success we need Y O U !

Because of our inclusion in the Motoring News Championship next year we need plenty of marshals to keep the event flowing smoothly and efficiently, to uphold the reputation of the Club and the Rally.

Please support your Club's Premier event and give your name to Bob or David Pedley at the Club, or on 061-643-5258 (Home), or by filling in the form in the Regs.

2 or 3 Sector Marshal crews are required (preferably with experience)

BONFIRE NIGHT

This year's Knowldale Bonfire held on Tuesday 3rd November saw the now traditional blaze start at 7.30 p.m. with the firework display courtesy of Ray Dale and Howard Bulcock at 8.00 p.m. - soon after which it decided to rain.

However this didn't mar the proceedings, as after the display things adjourned to the Hornets bar for a splendid potatoe pie supper, a pint for Dad and coke for the kids.

The only pity is that many members didn't turn up early enough for the main event of the night.

OBITUARY

PHILIP CRABTREE

Philip Crabtree was one of the early members of Knowldale and one of the stalwarts of the sport for many years. He moved to the south of England many years ago to further his business venture but over recent years has had illness.

To his daughter Diane and family we extend our sincere condolences.
